Cover Credit: The photograph was taken on Isla Mujeres (Island of the Women) at Punta Sur, the highest elevation in the Yucatan, where the rising sun first touches Mexican soil. Punta Sur is a holy place in Mayan culture where remains of a temple dedicated to Ixchel, a fertility goddess considered to have great healing power, can still be seen. It continues to be frequented by women struggling with infertility and seeking all kinds of healing. Kathleen Greider, May 2005.
